

Voilà Desk

Voilà Desk

Wherever there is no space for a traditional desk or a separate room to work. For living room, bedroom, kitchen, youth room. All you need is some free wall space and „voilà” - it's here! Three different top lengths make it possible to arrange the desk even in the most demanding spaces. The desk can also be mounted on fronts of Clickbed wall beds both opened vertically and horizontally. All depends on you.

Voilà Desk
